

Emotions wheel

Material

Cardboard, glue, scissors, a printer,
a split pin.

Instruccions

1. Print the three wheels and cut them out. Cut three discs out of cardboard of the size of the circles.
2. Glue the circles to the cardboard discs.
3. Place the blue disc at the bottom, the faces in the middle and the yellow on top. Make sure you cut out the white drop. This will work like a window.
4. Join the three together with a split pin and start spinning to match the faces with the correct emotion.
